

The Standard, Raised

Elevate the guest experience with the brilliant new LRS Guest Pager

The trusted guest pager, completely reimagined, gives you more control. We invite you to be amongst the first to experience our new guest pager design.

Reinvented

The cleaner design is more durable, sleek, and reliable. Your customers will love the bold new look.

Intelligent

The device that uniquely acknowledges and confirms when a page is delivered gives you the assurance needed to run a smarter business.

Adaptable

You have the power to program it yourself. Set pager numbers on the fly, and integrate it with crucial operational solutions.

Yours

Light up your creativity with multi-colored LED lights. Coupled with your brand, you can truly make this pager your own.

The new Guest Pager Series offers the same space-saving stack charging as its predecessor and may be mixed with prior versions.

TAKE THE NEXT STEP.
